ADVERTISING POLICIES

About the Shawnee:

The Shawnee is the Freedom Area High School yearbook. Because the yearbook exists in a public school setting, we maintain high standards for the content and types of advertising we accept. General guidelines appear below; however, the Shawnee staff reserves the right to reject any advertising on any grounds, as deemed appropriate by editors, the yearbook adviser, or the school administration.

Submitting Ads:

We accept correctly-sized ads in a variety of formats, including TIF (TIFF), JPEG (JPG), or GIF; however, to ensure high-quality prints, we require all ads to be at least 300 dpi (resolution). Ads should be emailed to ads@freedomarea.org with specific information, confirming that the ad is either complete as is or if it requires design work by our students.

Ad Design Services:

Students will design ads to your specifications, within the limits of software and training available. If you provide an email address, we will gladly provide proofs of the ad if you request them below. Proofs are considered approved if modifications are not requested within 2 days.

Ad Placement Requests:

Due to our small size, we cannot guarantee a specific page/location for your ad.
